Visit www.mobtecnica.com

Mobtecnic has provided the highest degree of flexibility, scalability and service orientation to enable us meet the strategic goals for some of our largest mobile initiatives. We believe that Mobtecnic has the advantage of deep domain expertise for all mobile app development technologies.

Anwar Yousaf, Legador

WHAT WE DO

Mobtecnic focus on development and implementation of Mobility solutions on:

Mobile

-  iOS iPad/iPhone Applications
-  Android Applications
-  Blackberry OS Applications
-  Windows Mobile Applications

Technology

-  SAP
-  HTML 5
-  Native Mobile Technology
-  PHP

Development

-  Mobile App Development
-  Web Development
-  Open Source Development

Our iPhone application was particularly large and had specific requirements. Mobtecnic was able to meet those requirements in a timely matter and the team was far the best that I have worked with. I plan on using them exclusively in future.

Arun L Menon, Jacobsons-i
